Emergency Child Care Application - SCHOOL AGE ONLY

On Monday April 12th, the Premier of Ontario announced, in its efforts to slow the spread of the COVID-19 virus that all schools in the province will revert to Remote Learning following the April break. At this time, there is no indication how long schools will remain closed to in-person learning.

Until notice is received by the Province, all elementary schools will remain closed for in-person learning. Students enrolled in publicly-funded schools will continue with virtual learning for the time being.

To support health care and front line workers (see below for a comprehensive list), the Ministry of Education has implemented **a targeted emergency child care program** for school-aged children only (ages 4 -12 years), at no cost to eligible parents, until schools reopen for in person instruction or until emergency child care is terminated by the Ministry of Education.

A comprehensive list of eligible workers can be found below.

School aged child care spaces will be filled on a 'first-come first-served' basis. If a child care space is not available for your request, the name of each eligible child will be kept on a waitlist. Your waitlist date will be the date you contact the Children's Services office.

This application must be accompanied by verification of eligible employment (e.g. paystub or letter from employer). Failure to provide required documentation will delay the processing of your application.
