

Become a Registered Early Childhood Educator (ECE)

Do you want to inspire young growing minds? Do you have a passion for working with children 0-12 years old? The Early Childhood Education field may be right for you!

Find a pathway that works for you!

Have you Completed High School?

Try the [Early Childhood Education Diploma](#) at Lambton College, or programs such as [The First Nations Technical Institute](#). A list of all ECE programs is on: [OntarioColleges.ca](#). Ask for a [campus tour](#) which can help put your mind at ease!

Complete your diploma in 2 years, then [register](#) with the College of Early Childhood Educators to become a Registered Early Childhood Educator!

Are You Still in High School?

[Ontario Youth Apprenticeship Program](#)

Take the Child Development Practitioner apprenticeship and use it towards an ECE diploma.

Specialist High Skills Major ([LKDSB](#))([SCCDSB](#))

Talk to your school guidance counsellor to choose a focused course selection. This will give yourself an edge and add a special designation to your high school diploma!

School-College-Work Initiative: Try out a college course for free and earn a dual credit!

[ECE 1164](#): Intro to ECE - Play 1: Music, Art, Drama, Movement (Learning Through Play)

Looking to Complete High School?

[Academic Upgrading](#)

Start here if you are looking for an extra prerequisite course. You can do it at Lambton College.

[Adult Upgrading \(LKDSB\)](#)

Complete your Ontario Secondary School Diploma and upgrade your skills for success as an ECE.

[School Within a College](#)

Complete your high school diploma at Lambton College, then apply for the ECE diploma program.

Do you Currently Work in Child Care?

[Qualifications Upgrading Program](#)

If you are working in a child care setting you can get free money to complete your ECE diploma from [ECEgrants.on.ca](#). They will also pay for your ECE registration!

There is a grant that will also help pay to upgrade your leadership skills.

The Child Development Practitioner apprenticeship is available from [SkilledTradesOntario.ca](#). You can count completed apprenticeship hours towards ECE diploma credits at some colleges in Ontario.

Are you a University or College Graduate?

You may be eligible for a fast-track program with Lambton College.

Get your ECE diploma in 1 year. You may be eligible if you already have an eligible university degree or college diploma.

Visit [OntarioColleges.ca](#) to see all ECE programs.
