BACKGROUND INFORMATION

Creative County Committee

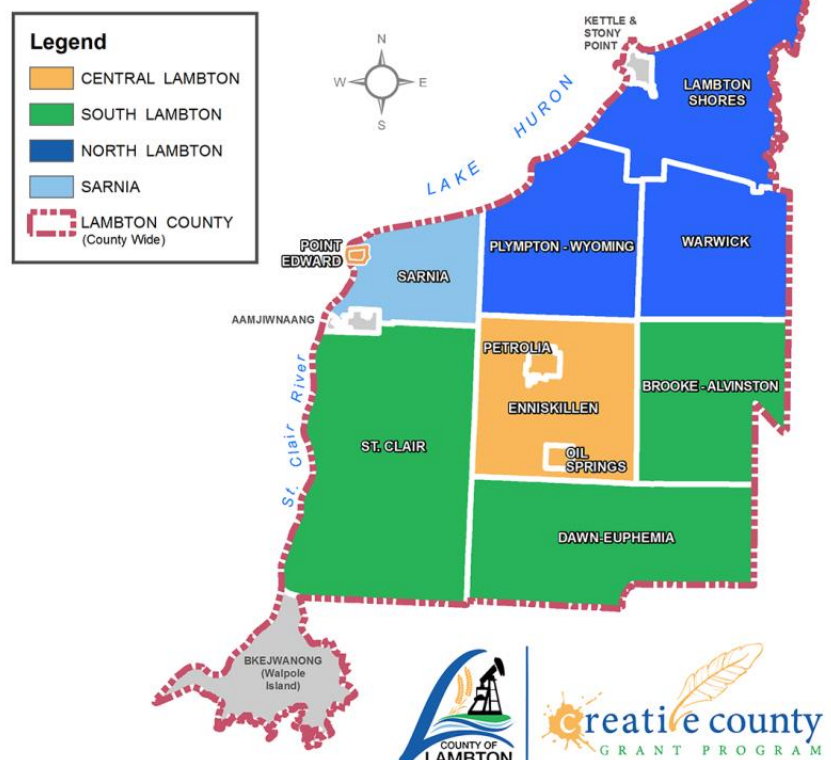

The County of Lambton's 2011 Cultural Plan " Building a Creative Economy: A Cultural Plan for Lambton County", focused on cultural growth and recommended that County Council establish a fund to support new arts and heritage projects, encourage local cultural partnerships, and promote cultural vitality in Lambton County. In 2012 Council struck the Creative County Committee, to be comprised of the Warden, four (4) Councillors and five (5) community representatives with a demonstrated involvement in Lambton's cultural community.

Councillors and non-elected Committee members are selected to represent four geographic quadrants of Lambton County and to ensure County-wide perspective, outreach and availability. With an annual budget of \$75,000, the committee distributes funding to projects, events, or workshops that enhance the heritage, arts and culture of Lambton County.

Committee Membership:

- Warden
- Four (4) Councillors representing the four quadrants of the County: Central Lambton, North Lambton, Sarnia, South Lambton.
- Five (5) community appointees representing: Lambton's cultural community, Arts, Heritage, Tourism, Economic Development, Business Development etc.
- The CAO and the Corporate Cultural Officer.

Creative County Grant Program

ABOUT THE PROGRAM

What is the Creative County Grant Program?

The Creative County Grant Program (CCGP) invests in new initiatives by providing funding to local arts, culture and heritage projects. Funding is intended to enhance the cultural landscape of Lambton County by supporting new, unique and innovative projects that strengthen and develop the creative community, define the County's unique identity and enrich the quality of life of all residents. Funding is available for projects that support the objectives below and meet the criteria described in the following pages.

FUNDING CONDITIONS AND EXPECTATIONS

Funding may be approved over a three (3) year period to provide financial support to new initiatives. In light of the program objective to encourage self-sufficiency, ongoing funding will be evaluated each year by the Creative County Committee (CCC) based on the completion of an annual project report, and funding will be gradually reduced each year to allow a phasing out process to occur.

- all decisions of the Committee are final and not subject to appeal;
- failure to submit reports (final) will result in forfeiting the final 25% funding and affect future requests for funding;
- funding recipients must publicly acknowledge support of the County of Lambton and include the Lambton Creative County Grant Program logo on all forms of communication related to the project;
- funding will only be provided to for-profit organizations if the CCC can be satisfied that the applicant does not stand to gain financially from the project;
- funding will not exceed 50% of total project cost, including In-Kind contributions.

Reporting

Successful applicants must complete an online Final Post-Project Report to be submitted by the end of the calendar year. Receipt of the Final Post-Project Report is a condition of the Creative County Grant Program.

A grant recipient seeking to make significant changes to its initiatives as outlined in an application must consult with Cultural Services staff prior to implementation. If the changes result in the cancellation or a significant delay in the completion of the initiative, the applicant will, after consultation with staff, be required to return to the County all project grant funds paid for that year. Future funding will only be considered if an applicant completes the Final Report and demonstrates achievement of goals and

objectives, timelines and outcomes as stated in the original proposal, and is also subject to all other conditions.

APPLICATION ASSESSMENT

Applications are assessed by the Creative County Committee. Prior to meeting to assess applications, CCC members review all applications, and grade them accordingly.
